 Multiplying Leaders for the Great Hispanic Harvest

News from Allen and Bella Lund

Dear Friends:

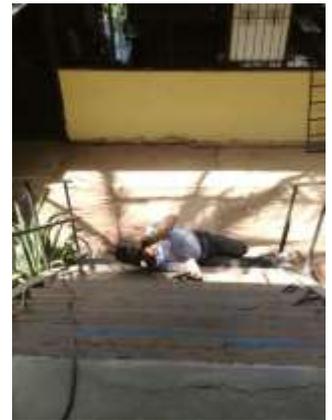

April 2019

Thank you for partnering with us to help those who are pastoring God's sheep in the Hispanic world. This last month we were privileged to travel to Costa Rica and devote more than two weeks ministering God's Word and working with our hands.

Steven was a student of mine in the seminary and is pastoring a work in a community called 27 de Abril. He is also helping his father-in-law who pastors the church in Villareal. My goal was to do the electrical work for him, but another former student, Alan Sanchez, came to visit and spent the day doing the electrical work. Alan was a godsend as I was then able to finish up welding and reinforcing the steps between the church and Sunday School classrooms along with installing the security cages for the LED projections screens.

We had a very productive week with Steven. While there I was able to teach and preach, go out on visitation, and meet with five other pastors who were organizing a conference for pastors in the western area of Costa Rica. On my way back to La Fortuna, the Lord allowed me to visit another good pastor friend of mine and help him with an electrical need. Pray for Steven, Alan and Diego, another former student, who is pastoring at La Guardia. May the Lord direct and strengthen these young men for His work.

The following week we had the joy to be at our church in Ciudad Quesada. While there, Pastor Mario assisted me to run wires and install lights in the newly finished balcony. As an added blessing Daniel asked me to preach for the Saturday youth activity. It was exciting to see how God is directing Daniel and his wife with the teens. On Sunday Pastor Mario had me teach during the Sunday School hour. We rejoiced to see over one hundred attending the Sunday morning service! Praise the Lord for the leadership God has provided for the Ciudad Quesada church!

Thank you for your prayers for us as we co-labor with those in God's work.
