APRIL 2019

Annual MGMI staff conference. From March 4-8, MGMI held its annual missionary staff conference in Phoenix, AZ. We enjoyed a full week of fellowship and challenging sessions. One highlight was when all the missionaries went across town to visit Dr. and Mrs. Mercado, who have had an immeasurable impact on MGMI over several dozen years.

Ebenezer Bible College and Seminary's ("IPES") 50TH anniversary celebration. Graduation will be on May 24, but the week of celebration begins on May 21 with a sacred concert. Other activities that week involve a banquet, the convocation, and an informal fellowship with graduates who attend the activities that week. Graduates from all five decades will be attending, and the IPES leadership wish to have appropriate rental and hosting facilities for those who attend the anniversary week. Although those at the college have worked diligently to raise the funds needed to host this memorable week of activities, approximately \$8,000 is necessary to hold these events for those who are planning to attend. Please pray that the Lord will supply that need. If you sense the Lord is guiding you to contribute, you can send funds to MGMI and note that it is for IPES' graduation/50th anniversary.

Transitioning responsibilities. Dan will travel to Hermosillo in May to participate in IPES' graduation. At graduation in 2014, Dan turned over his academic dean position to former student Josué Guzmán. After having been a teacher at IPES for 17 years, he turned over his courses in 2018. During this graduation, he will turn over his seminary dean position to Wesley Barley who, with his family, nears the end of deputation to return to Hermosillo. This transition, which will be at the end of a heavily-traveled furlough, will allow Dan to focus on developing trips to Latin America with TEAM Mobile Seminary. Please pray for Dan as he works on pending seminary dean responsibilities that lead up to graduation.

Family Birthdays. April and May are big birthday months for our family. Abby turned 17 on April 1. Opal's birthday was April 5. Rose turns 12 on May 7, and Anna turns 19 on May 11!

Please pray for us as we continue to travel on furlough. In March we were in churches in South Carolina and West Virginia. In April, our furlough travel is within South Carolina.

Current level of promised monthly support: 72%

Thank you for your prayers!
