DECEMBER 2018

Reconnecting. Our furlough travels have allowed us to reconnect with many who have been praying for us for years. In November we visited a church in Virginia pastored by Joe Cotman, whom Dan has known for about thirty-five years. It was a blessing to see that he continues to faithfully serve the Lord. Also in November, we participated in the missions conference of Iglesia Bautista de la Gracia, where fellow MGMI missionary Jacinto Aguilar is pastor. While at this missions conference, we were able to meet up with the other conference speaker, Bob Reed. Brother Reed heads up a Spanish-speaking ministry that “works with churches of like faith to provide basic yet quality ministry training to those who may not otherwise have the opportunity for formal study.” It would be inaccurate to see his ministry as a model that competes with either Ebenezer Bible College and Seminary (IPES) or TEAM Mobile Seminary (“Great Commission Church Planting through equipping national pastors in Latin America with tools for them to train their countrymen”). Rather, we are eager to see how complementing and non-overlapping sister ministries can work together for the same purpose.

Family Corner: Dan’s birthday was on November 11, and he is grateful to the Lord for 46 years of life!

Prayer requests:

1. Please pray for us as we continue to travel on furlough. In January we will be in South Carolina and North Carolina, and perhaps more areas as our furlough itinerary continues to develop.

2. Please pray for the postgraduate course in January at Ebenezer Bible College and Seminary in Hermosillo, Sonora, Mexico. Dan and Wesley Barley have been working together on coordinating the details for this course that will be held on January 7-11, 2019. The course will be on the topic of worship, with an emphasis on music. The adjunct professor is Caleb French, who has visited Hermosillo on previous occasions to give workshops related to music and the church. Please pray for grace and strength for Caleb and the interpreters. Pray for the faculty and staff, who have varying responsibilities that week, and many of them will take the postgraduate course themselves. Please pray for Wesley, who is currently on deputation but will travel to Hermosillo to coordinate the week of classes. Please pray for the ones who desire to take this course, that the Lord will provide for their expenses and that He would pave the way regarding their need to have a schedule that would allow them to focus on the classes.

Thank you for your prayers!
