Multiplying Leaders for the Great Hispanic Harvest

## News from Roberto and Josefina Diaz

Dalton, GA, December 2018

Dear Brothers and Friends in Christ:

Greetings from my family and Tabernacle Baptist Church. May family and I are very grateful to the Lord for His infinite goodness that He has shown to His work here in Georgia, allowing us the privilege of continuing to sow the precious seed to hundreds of people here in the area.

We are also grateful to the Lord for the special inaugural service of Tabernacle Baptist Church on October 28, which was a tremendous blessing for all of us who were present. God poured out the sweetness of His Holy Spirit, since He clearly says in His Word, "I will honor those who honor me," and He honored us with His Presence.

It was very gratifying to have our brothers from Concord Baptist Church present who, without a doubt, have always been of great encouragement to us, showing love towards the Hispanic work, and of course, towards my family and me.

We are amazed at how the Lord has opened a very wide door for us to plant His Word in the local flea markets. We were sharing tracts a few weeks ago, and I shared one with an American man who was among the people like any other person, not knowing that he was the owner of the flea market. After that, he approached us and said: "Thank you very much for coming to do this! No one else does it; go ahead, you are welcome to do so. God bless you!" People and friends who know him well testify that he is known to be a man totally hardened to the Gospel; but we know that nothing is impossible for the Lord, and this is a proof of that.

And that same day we had a couple visit to our church—the fruit of sharing tracts in that flea market. Hallelujah!

Another one of the wonders our Lord has done is that He answered our prayer request that we shared with you in our missionary letter in October. That request was for God to supply the funds to repair our vehicle or to supply us with another one. The Lord in His abundant mercy supplied us with another vehicle. He used a young man from Concord Baptist Church to bless us in this way, He knows what we need and what is best for His children. How we thank the Lord!

Without a doubt, we would like to thank in a very special way every church that has been supporting the Hispanic missionary work that is taking place here in the state of Georgia. Every peso or every dollar that have been invested are a great blessing, and it is our prayer that the Lord will pour out of the abundant riches of His grace on each pastor, each family, and each individual in the congregations whose vision is beyond their own churches. Thank you so much.

We are grateful for your continued prayers. We know we need the filling of the Holy Spirit to continue doing His work. Please pray for the loving protection and care of the Lord Jesus Christ to cover us daily.

We also ask prayer for Mrs. Henderson, wife of our beloved brother, Carlos Henderson. Her pulmonary fibrosis has caused other complications in her body.

Finally, we also ask your prayers for the health of Pastor Sammy Allen, the pastor of Concord Baptist Church, and for his wife, Jimmy Lou. She suffered a stroke which has paralyzed the right side of her body, and she is still recovering.

Thank you. May God richly bless you.

***“Finally, brethren, pray for us, that the word of the Lord may have free course, and be glorified, even as it is with you.”***
