## News from Roberto and Josefina Diaz

Dalton, Georgia; March 18, 2019

Dear Church and Pastor:

During our missionary journey, my family and I have witnessed day by day the tender love and care from our blessed Savior Jesus Christ towards His children. We are very grateful for that and for the sweet encouragement of the Holy Spirit to continue forward in the ministry that has been entrusted to us in the state of Georgia, USA.

In addition, I would like to express my infinite gratitude to each of you for the faithful support given to us through your prayers, and the noble-minded financial giving that God has placed in your hearts to cover our family's needs. I am definitely humbled to feel the Lord's special care to His servants.

It has been a tremendous blessing to continue sowing His precious Word, passing out Gospel tracts, talking with people about their eternal destiny, and telling them what the Lord Jesus Christ has done for us. Please continue to pray that the Lord will give us wisdom, direction, and strength. So far this year the weather has been quite rainy, and visitation has been a bit complicated. But we have looked for the most appropriate times and places, since we are aware that we cannot stop sharing the good news of salvation to the lost; eternity awaits even if the rain and the unfavorable weather continue.

We are also very blessed for being able to work as a team with the MGMI missionary agency. Recently we had our annual staff meeting in Phoenix, Arizona. The meeting was very motivating. We encouraged each other, invested time planning, organizing, and had a time of fellowship with our beloved brothers in Christ, Dr. Dick Mercado and his beautiful wife, Mrs. Margine Mercado. It was an unforgettable opportunity because we consider them heroes of the faith who are building a precious legacy of training and encouraging the next generations of missionaries. Despite the fact that each of the missionaries attending the meetings work in different locations—wherever our Lord has placed us—we serve the same Almighty God, and He has been faithful in protecting each of us as we traveled to attend the meetings. Our trip was 4,742 miles by land (7629 Kilometers) in less than 2 weeks. Praise the Lord for that!

Also during this trip, we visited our sending church "Iglesia Bautista Esperanza," in Mexicali, B.C. It was a very special blessing because we got to fellowship, at least for a short time, with our beloved brothers in Christ. The Lord gave me the opportunity to preach His precious Word at my sending church, and at "El Sembrador" Baptist Church. It was truly a joy and privilege.

We appreciate your prayers for our sister Kay Henderson. She finally went home with the Lord on March 10. Please pray that God strengthens her family, specifically for brother Carlos Henderson. They are grateful for your supporting prayers throughout this hard time and send greetings to all of you.
