News from Dick and Margine Mercado

Christmastime 2017 and
New Year of 2018

Dear Friends and Prayer Partners,

Margine and I join in sending to you and yours our deep and sincere thanks for all you have continued to mean to us across this so eventful and blessed year.

As our bilingual Phoenix church prepared to celebrate at Thanksgiving its 87th anniversary, Pastor Steve Rubio sent his sound technician to our house to film and record our testimony and Thanksgiving praises for all the Lord has done for us across these many years! What a joy it was to testify of our Lord's gracious and so faithful mercies across those years. Yes, I was present at that first Thanksgiving service when the MGM church was born!

How thankful Margine and I could be when by filming we could be there with our "hermanos" this past Thanksgiving. Yes, we are formally "retired" but, **PRAISE THE LORD**, we are not done with the joy of personal witnessing of the real Christmas message of salvation through Christ and His blessed saving grace.

Your loving prayers and support continue to make this possible, and we do want to express to you dear ones our deep, **DEEP THANKS** for the way you have continued to partner with us. We both join in praying for you and yours

A MOST JOYOUS Christmastime and TRIUMPHANT NEW YEAR!

Yours very gratefully—under the same Feathers,

Dick and Margine Mercado

P.S. I'm trusting the Lord for a good report from my heart doctor on December 19, and Margine continues to look to the Lord for daily grace and strength.

We both hope we hear from you at this joyous time of the year!
