Multiplying Leaders for the Great Hispanic Harvest

## News from Janine Fox

January/February 2017

Dear Friends,

I would first of all like to say thanks for all your support, both with prayer and financially. I do not take it for granted. God has been so good to me, choosing to use me in Hermosillo and providing all that is necessary for me to stay there.

The semester began early on January 4th with classes at the Christian school where I teach English to elementary and junior high which is near the Bible college. Teaching has been a real learning experience for me. Please keep praying for grace and wisdom as I teach these rambunctious yet precious children.

The Bible college students began to arrive a couple of weeks later (after a post-graduate class for men on January 9-13) from the 16th to the 18th of January. A week after they arrived, I started giving voice and piano lessons. This semester I have seven voice students and six piano students, and I am expecting to have a few more music students who have lessons at their local churches. This is the first time that I have had more voice students than piano students, but I enjoy all music lessons. I am also trying to continue studying the violin, another thing I really enjoy.

Last week we missionaries got to spend some time together learning about how to be better missionaries at the annual MGMI Staff Conference. It was a great blessing, as well as a nice break and a nice chance for fellowship with other missionaries. Please pray that we can use the things we learned in the sessions for God's glory.

Thanks again for your prayers and support!

For Christ in Mexico,
