Dear Friends,

February 2018

Commit your way to the Lord; trust also in Him, and He shall bring it to pass. Psalm 37:5
My soul follows close behind You; your right hand upholds me. Psalm 63:8

While those verses remind us of how we need to trust the Lord every day, they are particularly comforting to me these days as I struggle with having fallen December 10. I was working at home, and I got my foot tangled up in a computer cord, and down I went on the hardwood floor! So, please pray for healing soon and that I will be able to get the treatment that I need, especially since our annual staff conference is coming up in a month! Also, I will probably have to go back to court again to be able to continue to get therapy for my back. Please pray for the Lord's will regarding that situation as well.

Staff Conference—my favorite event of the year! Thankfully the dates were changed to the first full week in March, otherwise we would be in the throes of conference this week. This is a huge blessing to me, as December and January are always extra busy, and it's a challenge to take care of immediate needs while trying to get ready for the conference. The Lord has already provided help for me—two ladies to help in the kitchen and two others coming from our Bible college in Mexico to help with the children and wherever they can. I don't usually get to participate in the sessions because of needing to be in the kitchen and office, but it looks like this year I will be able to get to some. I got very excited the other day because I spotted notebooks on sale for \$1 at Walmart. I started putting them in my cart, and a worker came up to me and marked them down to 50 cents each! While this is a small matter, it just blessed me to once again see the hand of the Lord in providing *everything* that we need. Nothing is too small for Him. Please pray for our missionaries as they travel, for provision for their travel expenses, and that the conference will be a help and encouragement to them.

January is always busy with the end-of-the-year responsibilities—W-2s, YTD contribution records, tax forms, etc., as well as getting reports ready for Dr. Shumate for the annual MGMI board meeting. Thankfully things went smoothly this year, and, as always, I'm grateful for and dependent on the Lord's help.

Please join with us in prayer at Westpointe Baptist Church regarding our building situation. As you may recall, we were able to pay off our property and were hoping to get started building this year. Because the city has not yet arrived with infrastructure, we will be required to store an incredible amount of water on our property to meet fire suppressant requirements. The cost for this is not making building viable any time soon. Please pray for our leaders as they seek God's will for our immediate future.

Many thanks to those of you who pray and support both me and the ministry of MGM International. We are truly grateful!

In Christ,

Gail Ereddia
