Multiplying Leaders for the Great Hispanic Harvest

News from Gail Ereddia

Dear Friends,

May 2018

We are actually experiencing spring-like weather here in Arizona! I finally broke down and turned on the A/C today, which is very unusual for us. Sometimes it gets hot as early as March, so we're very grateful for relief from the triple-digit heat for a while.

Dr. Shumate and I have been busy working on a R-1 visa extension for Roberto Diaz and his family. It's an amazing amount of paperwork, but it's been such a blessing to see what the Lord is accomplishing at the church there in Dalton, Georgia! Please pray that everything will be submitted properly so that nothing will hinder the renewal of their visa.

Do, please, pray for Ebenezer Bible College and Seminary in Hermosillo, Sonora, Mexico. That's where I first had the privilege of serving for two and a half years starting in 1984. The college is celebrating their 50th anniversary this month! They are expecting many visitors and returning alumni for a wonderful celebration/graduation next week. As you can imagine, the expenses are great, since they need to rent a couple of facilities to accommodate large numbers for the graduation and the banquet next month. If you feel led to help them, feel free to make a contribution online through our website: <http://mgmi.org/partner/> and choose the PayPal option on the bottom left.

Thank you for your continued prayers for Westpointe Baptist Church regarding our building situation. The Lord has led us to a piece of property with a church building already there as a possibility. Since we put in an offer, a couple of others have made offers higher than ours, so if the Lord does allow us to purchase that property, we will know for sure that it is His will. We don't want that property if the Lord doesn't want us there, so we continue to pray for His will to be done. Sunday was an exciting day as four people trusted Christ as their personal Savior at the end of the service! That's way more important than buildings! We rejoice in what the Lord is doing through His work.

Please continue to pray for Dr. and Mrs. Dick and Margine Mercado. They have now moved to a group home so that Mrs. Mercado can have more personalized care. We miss seeing them at church, but we're grateful they're being taken care of. I try to visit when I am able to do so, and it's a blessing to see them. Dr. Mercado has expressed to me how grateful he is for the prayers of God's people for them both, and I know that Mrs. Mercado would agree if she were able to communicate that.

On a personal note, thank you for your prayers for my physical health. Recovery from falling in December has been slow. My workers comp case has been closed. Please pray, as I continue to deal with constant pain and difficulty walking. I'm so grateful for the Lord's provision for continued therapy, and I know He will continue to use this in my life for His glory!

Many thanks to those of you who pray and support both me and the ministry of MGM International.

In Christ,

Gail Ereddia
