Multiplying Leaders for the Great Hispanic Harvest

News from Roberto and Josefina Diaz

Dalton, Georgia
October 2018

Dear Brethren and Friends,

As I write this letter of thanks, I am amazed at the beneficent hand of the Lord upon my family and me, His servants. Since the day I surrendered to serve Him until today, we have served Him by the grace of God.

I'm thankful to the Lord for the support that my wife has been in the ministry that the Lord has entrusted to us. Josefina works in the music ministry, and our daughters encourage us as they joyfully share the Word of the Lord with others. They are good helpers and are obedient with a good attitude. How gracious the Lord has been in granting to me the heart of my entire family for His service.

We are very encouraged by the grace of God to carry out His work. We have great evangelistic plans to fulfill the Great Commission, and we have already begun to put it into practice. Every day we go out to knock on doors, trusting that the Lord will be in charge of convincing people. On Monday and Tuesday of this week we went out to knock on doors in a housing complex called "North Point," where a large number of Hispanics live. We managed to communicate the Gospel to three young people. Two of them received Christ in their hearts, and we invited them to church next Sunday. Also, Mrs. Meybelline Guerrero invited her niece to our church this past Thursday. What a blessing it is to have guests in church to listen to the message of salvation!

We are confident that the Lord Jesus Christ will do the work that we cannot do, that He will bear fruit. and that our sheaves will be full for having brought the precious seed to all who pass by. We ask you to pray for us so that we can continue to carry the precious message of salvation, so other not only will listen, but also will turn to the Lord and begin to serve Him as He is Worthy.

Special thanks:

1. First of all, we want to thank the Lord Jesus Christ for His mercy shown to my family and me, taking care of us by providing for every need and keeping us safe.
2. As some of you know, in October we finally arrived on the mission field in the state of Georgia in the USA. We rejoice with gratitude to the Lord that our prayers were answered. After one year and eight months we were able to arrange all the required documents to minister in the United States.

3. We also want to express our gratitude to the Lord for the valuable help that Brother Carlos Henderson and his wife have been to the ministry at Iglesia Bautista Tabernaculo during all this time.
4. We are very grateful for our sending Church in Mexico, Iglesia Bautista Esperanza, and our pastor, José Gutiérrez, for always showing a genuine interest in souls that need Christ and for having a vision to send missionaries to the uttermost parts of the earth.
5. Another reason we are thankful is for the churches in the US—Concord Baptist Church, Tabernacle Baptist Church, Berea Baptist Church, and Anaheim Baptist Church—who have prayed for and shown their love to us.
6. We are also grateful to the churches in Mexico—Esperanza, El Sembrador, and Alfa y Omega—who supported us with their prayers and economic support during our stay in Mexico.
7. And without a doubt, we cannot stop thanking the Lord also for the MGMI missionary agency. Dr. David Shumate, Dr. Daniel Wokaty, Gail, and the whole team, who worked so hard during the entire process.
8. Finally, we are so blessed by the faithfulness of the families that were established at Tabernacle Baptist Church. We give glory to God for the family of Mrs. Meybelline Guerrero and the family of Mrs. Santa Batista; all of them are a reason for thanking God.

Prayer Requests:

1. For the enabling power of the Holy Spirit for my family and me to do His work,
2. For our vehicle, that God will supply either for repairs or for another vehicle, and
3. For the renewal of our R-1 and R-2 visa, which must be in less than one year. May the Lord Jesus Christ give us grace before the authorities.

You are in our prayers, beloved brethren, that the Lord of all grace bless your lives and continue to use you for His honor and glory.

Here are some pictures of the evangelistic times that my family and I have had.

Sincerely,

The Díaz family, your missionaries in Dalton, Georgia.
