Hola from

June 2019 ([See Video](#))

Dear Friends, Family & Supporters,

In March we started our third year at **Iglesia Bautista Horeb** in Navolato. Son **Brian** and family are doing well in Iglesia Bautista Betel in Alhuey and **Radamés Gil** and family are serving in Guamúchil at Iglesia Bautista Jesús Salva. This church is considering moving to another location soon.

Apart from the weekly ministry activities of preaching at two churches and in drug rehabilitation centers, visitation, counseling and miscellaneous responsibilities, we have been hosting special events and preaching at other sister churches. We are blessed to have the help of assistant pastor **Marco Polo**, faithful lay leaders and deacons such as **Daniel Colorado** and **Polo Cordero** and several other ladies who spend many hours cooking and decorating to make our events very special.

We just got back from attending the **50th Anniversary of Instituto Práctico Ebenezer and Seminary (IPES)** where **Luis Pérez**, from our church in Navolato, graduated along with 8 other students. **Luis** will be heading the mission church in **Villa Juárez**, while helping us in the home church in Navolato. See [new bilingual web page](#) of our ministry. ([Click to see video](#) of highlights from Nov-May.)
