Dear Friends, Family & Supporters, (Click on links and pictures to see more 😊)

I am writing from South Carolina where we are attending a week of meetings with our mission board, [MGMI](#). In January Tap attended a week of [postgraduate classes](#) at [IPES](#) and then returned there with [five prospective students](#) from high school at the end of the month. Tap will speak in two supporting churches while in South Carolina. From March 20-23 the entire Hornor family will spend a weekend together on Hilton Head Island, SC! First time since 2016 for all 18 of us to be together.

In February former youth pastor in [Navolato](#), [James Gardner](#), preached a marriage conference. All were delighted to see him, his wife Ivonne and daughter Emma. Jim is the director of [Campamento Meta](#) and the pastor of Esperanza Viva Baptist Church, both in Morelia.

Our people have responded well with renewed participation in weekly church visitation. Tina, an elderly faithful member invited me to visit her granddaughter. Tap witnessed to five family members present, and her husband Guadalupe prayed to receive the Lord. Many have prayed for years for his salvation. The local churches are forming a new monthly pastor's fellowship in central Sinaloa. Tap has the honor of organizing the meetings. We look forward to encouraging these [sister churches and their pastors](#). The drug rehab ministry continues to offer the opportunity to preach to nearly 100 men and a few women every week. Almost every week we run into men who have left their centers and joyfully shout at Tap as they see him around town. Pray for open doors to visit entire families and disciple the new converts. In April we will sponsor a three-day youth rally for all nearby churches. [Brian](#) and [Radames](#) will help. [Alhuey](#) will have their 23rd anniversary in April.
