“Teaching them to observe all that I commanded you”
Matthew 28:20

Dear Praying Friends,

First, a little update on Luke — he is doing great. He is eating and sleeping well. He weighs almost 14 lbs. already.

While Luke was in the hospital, Kevan started first grade at the Christian school connected to our church. He has enjoyed it very much and is learning a lot of Spanish.

We have actually gotten a lot of rain this year in the desert. Early last week we got over three inches in one day. The average daytime temperatures have improved to around 90. That is much nicer than 110.

Most of my time the last month was spent in sermon prep. It’s hard to take a picture of that. I have been preaching two or three times a week in addition to 15+ hours in the classroom. Please pray for these preaching opportunities. In addition to clearly communicating God’s Word, I have the goal of modeling preaching for the many students that the Lord has sent us.

Every week we have gospel opportunities like this one. Pray that the Lord would lead us to people in whose life He is working.

Love in Christ,
Wesley, Amanda, Kevan, Isaiah, Caleb, and Luke
