Jan-April, 2023

Dear Praying Friends,

We are so grateful to the Lord for His watch care over us and your faithful prayers. He is ever faithful. We took some time off in November and December to get Bacilio strengthened, so as to begin to travel again. Since we have taken no vacations through the years, we felt we had accrued some time (lol). He is doing quite well, though we are trying to keep to a fairly strict regimen as far a diet is concerned (it is rather trying, especially when one travels). We do not know what percentage his kidneys are functioning, as he has been unwilling to see the nephrologist. It is always difficult when they want to put the catheter in for "just in case". We had no peace about doing that, as we felt that was like we were giving up.

In this year we have been on the move in extended trips, visiting various places in Mexico, as well as in the USA. We were in different ministries in the Guadalajara area, Monterrey, and Oaxaca. Then we were in Kentucky and Georgia, after which we went to conferences in Jiutepec with a husband/wife team, both of whom are graduates of IPES in Hermosillo, and then to Phoenix to have a meeting of our fellow missionaries at MGMI. It was a real time of refreshment and relaxation.

Lord willing, we will be leaving next Tuesday (April 4-19) to participate in a series of meetings in Cuernavaca, and then we will be in Celaya at a family conference during Resurrection week. From there we will go to Culiacan, Sinaloa, to participate in the wedding of two of our precious "grandchildren," Samuel and Casandra. What a joy that will be. They are already serving in the church in Culiacan where Samuel's father is pastoring the church the Lord gave us the privilege to begin. We will then head on over to Puerto Rico for graduation at Puerto Rico Baptist College. Always a very exciting time for all of us.

The Lord has used many of you to help us install a generator in phase one of getting the whole campus backed up, due to frequent power outages on the island. The work has been carried on as the funds have come in. We still lack about \$6,000.00 to purchase and install the second one. Thank you so much for your faithfulness to the Lord and His work. Please pray with us that the Lord will continue to supply the need to continue with the purchase and installation.

Please note the change in our personal address below. That will be our address for the present. We love you all and are thankful for each one. May the Lord continue to bless and use you as we await His soon return.

Bacilio and Eunice Alfaro
