June 2025

Dear Prayer Warriors,

Greetings in the name of our precious Lord and Savior who “causeth us to triumph in Christ.” How grateful we are that the Lord allows us to serve Him in His vast ministry.

We serve an awesome God. How He can allow such lowly, sinful human beings to minister for Him is beyond our comprehension, but, oh, how thankful we are that nothing depends on us but on Him.

This is continuing to be a busy year, and we are continuing to be confronted with new experiences and challenges on spiritual and physical levels.

Iglesia Bautista Biblica, a Hispanic church that the Lord allowed us to begin last January 2024, has had a difficult year with all the uncertainty in our Hispanic world. Many are afraid to leave their houses for fear of the authorities. It is especially difficult for those who thought they were following the law with the two-year parole period, which has now been rescinded. It makes it very difficult when it is a whole family that is affected.

We continue to have the second Saturday of each month at the flea market endeavoring to spread the Gospel to those with whom we would not ordinarily come into contact. We are there from 10:00 a.m. to 4:00 p.m. when Bacilio is able to be there that long. Praise the Lord for two souls that came to the Lord this past Saturday as a result. Please pray that these two men will continue and grow in grace. The work schedule for the Hispanic people is so changing that it is difficult to know when they will be able to attend church or even have a discipleship class.

As we said in our last prayer letter, babes in Christ need to be in church for spiritual growth in their lives. It has also been very difficult to establish discipleship classes due to scheduling.

We have received the date of July 11 for Bacilio’s transplant surgery. On July 1, he will be going for his pre-op checks-ups. Our donor is one of our sons-in-law. Though we have never solicited donations, we had as many as five offers for a donation, three of whom began the pre-checks to test for compatibility

with Bacilio. It is very humbling, and we are very grateful to them. We are so unworthy of the love expressed by so many. We continue to leave everything in our dear Lord's hands and want to move as He sees fit. Eunice continues to pray for healing, if that should please the Lord. We know that He can speak the word and heal Bacilio, but we also know that healing may come after the Lord calls us Home. All is in His hands. How grateful we are for the promise that the Lord stands true and that He *will never leave us nor forsake us*.

We continue to ask you to pray that the Lord will call a younger pastoral family to take over the ministry of our little church. There are a great many Spanish-speaking people in the surrounding areas who need this church and other churches to reach out to them and lead them to a loving Lord.

We would also like to thank each one for their faithful prayers and financial support during these many years. May the Lord continue to bless and use your ministry and our dear brethren.
