

HORNOR FAMILY

AUGUST

July - August 2024

JULY

In total, we had about 80 kids attend, counting the kids from church. On Sunday evening, a good number of parents attended and heard a gospel presentation.

This year we were able to take eleven young people to camp in *Morelia*. Also, a deacon came with us to help drive the 14-hour trip to the camp. Please continue to pray for our young people that they will seek to follow the Lord with their lives.

Wonderful time in the mountains for our annual family retreat. We had a good group of 40 people and of those 40, four were relatives of our church members that went for the first time.

My wife and I finished the premarital counseling sessions with a couple from our church. Please pray that the couple will continue to seek the Lord as they plan on getting married.

I finished teaching and grading all the work of my students for my Romans class that began in May. I thoroughly enjoyed teaching Romans, and I am very grateful to *Seminario Bautista Logos (Logos Baptist Seminary)* for the opportunity to teach.

It is with great excitement and gratitude to our good Lord and Savior that we can announce that we will be able to begin the expansion project this October as planned. This month I saw in the contribution list a considerable donation for the project that will enable us to begin. By God's grace, the church has saved the funds needed for about a third of the project. With the donation and what we have saved up there will be enough to begin and finish, Lord willing, in about four months' time—the foundation, floor, walls, bathrooms, and roof.

There is still much to do, but as our church people continue to give, we trust that the final finishes will be done as they come up. Please rejoice with us in God's goodness and faithful provision for His work here in Sinaloa, Mexico.

May the Lord give us wisdom as we seek to make the best of the new space and bathrooms the Lord has graciously provided for the church.

Praises/Prayer Requests
