

HORNOR FAMILY

January - April 2022

JANUARY-FEBRUARY

Our theme verse for this year is Psalm 105:4-5, "Seek the Lord and His strength: seek his face evermore. Remember his marvelous works that he hath done; His wonders, and the judgments of his mouth."

I was able to attend postgrad classes at IPES. It was a great blessing to be able to study God's Word alongside other pastors and friends.

This month a church from Florida provided money to buy four new tires for the church van. We praise the Lord for that and for the opportunity we have to bring people to church from *Guamúchil*.

In February, in spite of the pandemic, we had a good number of brethren and some visitors at our couple's dinner at church.

Also, the youth group from my father's church from *Navolato* came up to our church's friendship dinner we had with our youth group.

Towards the end of February, my wife and I were invited to minister at a church in *Mazatlán*. We were there from a Friday to Monday encouraging the youth, women, and men from God's Word.

MARCH-APRIL

We had the opportunity to visit and participate in a supporting church's missions conference in Parker, CO. We had a great three days with them helping by speaking with Hispanics at the food bank, and we went to visit some contacts made through the food bank ministry.

Following the missions conference in Parker, CO, we returned to Phoenix, AZ, for the annual MGMI staff conference. They were a great blessing, and it was encouraging to see everyone once again.

Also, we were able to bring back a new sound system and microphone for the church. It has really improved the quality of sound during our church services. We praise the Lord for His provision for that need.

Upon arriving back home from the States, I had the privilege of dedicating a young couple's baby boy to the Lord. We continue to pray that the Lord will raise up leaders from our church. Please pray for the little boy and his parents. His father is unsaved but attends faithfully with his wife.

Also, on returning, the church family began to prepare the church building for our 25th anniversary conference. Everyone pitched in, and a lot was accomplished. We were able to paint the exterior walls of the church, paint and tidy up the apartment, hang two fence doors on church property, and many other smaller details.

For the 25th anniversary we invited the men that God used to begin the church. They are Brother *Joel Sotomayor* and my father, Tappan Hornor. It was such a blessing and encouragement to be

reminded of God's goodness and faithfulness as He continues to build His church here in *Alhuey*.

Sunrise service

The second week of Spring Break my father's church in *Navolato* holds a three-night, four-day youth rally. Diana and I took our youth down, and everyone had a great time hearing God's Word, playing games, and enjoying each other's fellowship. Diana helped in the kitchen, and I helped with games and helping the kids be where they needed to be. Some of our young people made decisions, so please be in prayer for them. Overall, there were about eighty young people of which 10-15 made decisions.

The following week the church family went to a nearby *rancho* where we spent the day commemorating Christ's vicarious sacrifice on the cross. That Sunday we had our sunrise service at 6:30 a.m., and just about everyone came, even our brethren from *Guamúchil*. After the morning service, we all enjoyed a delicious breakfast; then we had Sunday school, and that was it for the day.

Good Friday at the *rancho*
