

HORNOR FAMILY

August - September 2023

AUGUST

Family Retreat in the mountains
August 7-11

Three baptisms on Sunday, August 13. The couple that was saved in Oct '22 and my son, Brandon, followed their Lord in believers' baptism.

On August 19 we left Alhuey on our way to the States to begin a month and a half of deputation and two months of furlough. By God's goodness, we were able to present in four churches: one in Tucson and three in Phoenix, AZ.

SEPTEMBER

This month we were in CA, our first-time visiting churches there. Los Angeles was our home for three weeks; then we spent one week in Placerville. In Los Angeles we had the privilege to present

in seven churches. The Lord has protected us on every trip, and it has been such a joy to present the Lord's work with our fellow brethren in the Lord.

Mariana and Jésed were able to play the offertory on various occasions.

Iglesia Bautista Fundamental Hispana in South Gate, CA, allowed us to stay in one of their apartments, from which we were able to visit the other churches.

Our church back home held its Independence Day celebration on Sunday, Sept. 17. We are grateful for my parents and for our church family for filling in for us in our absence. It is such a joy to see the work of the Lord going forward.

Praises/Prayer Requests

- We praise the Lord for His protection and provision for each part of the trip (1,700+ miles from home to Placerville, CA).
- Pray for our family in Christ back home that they will remain faithful to the Lord.
- We are very grateful for my parents who have been very active in maintaining the different aspects of ministry in order to keep everything going.
- Please pray for our request for more support and for the expansion project.
- Pray for our safety as we continue to travel each weekend and present our ministry and special needs.
- We are deeply grateful for the Lord's provision through His people for our daily and traveling needs.
- Pray for us as we continue to desire to be a blessing in the churches we visit and report at.
