

# HORNOR FAMILY

## FEBRUARY

I was able to conclude a discipleship time with a family from our church. They are very grateful for the help and counsel they received from God's Word.

In addition to this family, I have been able to renew another Bible study with another gentleman from our church. We will continue until the end of April. He is doing well, and I have seen a genuine thirst for the things of the Lord.

It was also a blessing to have our good friend and director of our mission board, Dr. Daniel Wokaty, spend a week with us. He was able to attend a men's prayer breakfast, men's fellowship, and preach for us on Sunday morning.

## Praises/Prayer Requests

- We praise the Lord for four new supporting churches as a result of our deputation trip last year.
- We are grateful for the opportunity to teach a pastoral theology class to Hispanic students and pastors from South America and the US in January.
- Pray for the couple I counseled that they would continue to put into practice in their family what they learned from God's Word.
- Pray for the gentleman I have a Bible study with every Monday that he would continue to grow in the grace and knowledge of his Lord and Savior.
- Pray for our 27<sup>th</sup> anniversary conference coming up on March 15-17.
- Pray for our youth that they will be sensitive to the Lord's working in their lives.
- Pray for the expansion project that the Lord would bring in enough support to begin in Oct.

## January - February 2024

### JANUARY

The week of January 8-12 I was able to attend a postgrad class at IPES in Hermosillo. I really enjoyed the class, and it was a time of spiritual refreshment. I am also grateful for the opportunity I had to preach in chapel one day during that week.

On Sunday, January 21, two families (one new family) became official members of the church. It has been a joy to see their desire to know and grow in the Lord.

Friendship Dinner with the adults from church. We all enjoyed the fellowship, games, and a brief time in God's Word.

Friendship time with the kids that come to Bible club on Thursdays. They had a great time learning of God's love for them, eating pizza, and playing games.

Friendship dinner in our house with the youth group. The guys helped with grilling the steak for tacos, and the ladies prepared the salsas. We had a fun time of games and a time to hear and heed God's Word. Two visitors came for this activity.

My wife continues to serve the ladies with biweekly ladies' fellowships.

Two girls on the right are from our church. They wanted to visit IPES' Friendship Days in order to get to know the Bible college and student life.

I had the privilege of preaching to the young people for those Friendship Days. My wife also taught a class to the young ladies.
