HORNOR FAMILY

JUNE

We brought a young man from another church to give music lessons to our young people for two weeks. We were excited for the amount of young people interested in improving their musical skills and their desire to serve in our music ministry.

Grateful for the fathers the Lord has placed in our church. May the Lord continue to bless their families. We had one visiting father with us that Sunday.

JULY

We had an excellent week of VBS. We averaged 60 kids per night. The first day the electricity went out due to rain, but we were still able to go on. The kids still had fun playing in less light!

We are grateful to the Lord to be able to minister to the spiritual needs of the kids in our town. They all heard a clear and simple explanation of the gospel.

This summer we took 13 of our young people to camp. For two of the 13 it was their first summer camp. We also praise the Lord for an improved attitude and spirit among our young people.

It is always a blessing to have a part in the lives of our young people. We pray that these two young men will seek the Lord's direction for their lives.

AUGUST

A great group of 41 church members enjoyed a family retreat in the mountains. Two families went for the first time. May the Lord continue to work in all of our church's families.

We continue to evangelize the small towns around *Alhuey*. Also, the Bible study in *Mocorito* is going well. One gentleman from there expressed interest in getting baptized. I will speak with him this Wednesday, August 12th.

PRAISE & PRAYER REQUESTS

- Pray for our music ministry that the young people would strive to continue to improve their skills. All of them are doing a wonderful job!
- Pray for the kids we reached during VBS that they will seek the Lord and attend our Thursday evening Children's Bible Club
- Please pray for spiritual growth and leadership of the men in our church.
- Pray for our young people who went to camp that they will remain faithful to the Lord with the decisions they made.
- Pray for those who have graduated and are praying for the Lord's direction in their life.
- Pray for the mission in *Mocorito*. We are thankful for the few faithful people that have been attending.
- Pray for the married couples in our church. Some of the couples are struggling in their marriage. Marriage counseling has been given. Pray that as a couple they would follow the Lord.
- Pray for us that the Lord would continue to give us grace and strength as we serve others.

Thank you for your prayers and support,

Brian, Diana, Jésed, Mariana, y Brandon
