

# HORNOR FAMILY

September - October 2024

## SEPTEMBER

Good time of fun and fellowship with a youth group from a church to the north.

Blessed time celebrating Mexico's Independence Day with visitors, food, fellowship and games.

The top pictures are the before and the bottom are the after of both sides of the church where we prepared the property for the auditorium expansion and bathrooms and fence.

Also, we were able to continue with and begin another marriage counseling session with a couple from church.

## OCTOBER

We praise the Lord for His provision through many people and supporting churches in order for us to begin the construction project this month. The following are pictures up until now of the project.

This month we finished with the marriage counseling sessions of two families from our church. Please continue to pray for them and for the rest of the families in the church.

## Praises/Prayer Requests

- In September we were grateful to the Lord for Mariana's 14<sup>th</sup> birthday and to all who sent her birthday wishes.
- Please continue to pray for our youth program. Soon I will begin a Sunday School class for the college and career.
- Continue to pray for my current Sunday School class of new believers that they will continue to grow in the grace and knowledge of their blessed Savior.
- Pray for the families in our church. Many have special needs, and we are working with them. Pray that the Lord will bring conviction and that they will follow His will for their lives.
- Please pray for continued provision for the construction project as there is much still to be done after the structure part is finished.
- Please pray for our Christmas program on December 22. We are planning for 200 people. It will be held in a social event parlor due to the construction project. Next year, Lord-willing, we will have it in our new building!
- Please pray for the testimony of God's people here in Alhuey and from the many different towns and cities where they live that the Gospel would go forth with power.
- Please pray for peace in Sinaloa due to the drug cartels fight for control and power and for the safety of God's people as we continue to live and serve Him amongst all that is going on.
