June Newsletter

A busy summer leading to a busy fall. As we look ahead to the ministry opportunities already planned for the remainder of the year, we are reminded of our need to strengthen ourselves in the grace that is in our Lord (2 Timothy 2:1). Please pray for us as we look forward to spending the second portion of the year in various missions conferences throughout several states, in colleges as we recruit for and promote MGM International, and a camp. Dan has a couple of upcoming international teaching trips later this year and will be teaching online as well. Our next update will report on two ministry trips that will take us to the West as well as the North of the US.

Prayer requests for MGMI

1. Please continue to pray with us that the Lord would lead to MGMI an additional full-time Home Office personnel member who is bilingual.
2. When Dan accepted the position of General Director, he was directing TEAM Mobile Seminary (a ministry that Dan created, under MGMI) and was MGMI's Assistant Director. As General Director, Dan continues to direct TEAM Mobile Seminary while maintaining the responsibilities that were related to his role as Assistant Director. It is evident that MGMI needs someone to fulfill the role of Assistant Director. Please pray that the Lord would provide the one that He has in mind for this role. Due to the flexibility of working remotely (Dan's prior role of working under Dr. Shumate began in Mexico), where one resides within the US is not as crucial as his need to be bilingual and to raise his own support.
3. Please pray that the Lord would provide new prayer and financial partners to invest in MGMI's Home Office (the "General Fund"), enabling MGMI's ability to more effectively serve and facilitate our missionaries' Great Commission work on the mission field.

Praise. Apart from other activities in May that we shared about in our last prayer, we were able to spend the last Sunday of the month reporting, preaching, and fellowshiping with one of our faithful supporting churches, Faith Baptist Church of Reidville (Duncan, SC).

Family Requests.

1. Please pray for Anna and Abby, as they prepare for graduate school in the fall. Anna is planning to attend grad school at Maranatha Baptist University and Abby is planning to attend grad school at Bob Jones University. Please pray that the Lord would provide them with GA positions (Graduate Assistant) for them to be able to continue their studies.
2. Please pray for Damaris, as she will be participating in a three-week leadership training program at Camp Chetek in Wisconsin.

Thank you for your prayers!
