December 2020 report. We decided to make our December report a list of **praises and prayer requests**. Some of our prayer requests are also praises, and some of our praises are also prayer requests!

Praises

1. We are grateful that we were able to teach Sunday School, provide special music, report, and preach in one of our **supporting churches** in Virginia in November.
2. The **Christmas cantata**, presented by the church youth group of Iglesia Bautista de la Fe on December 13, was Christ-honoring. Three of our kids participated in the cantata.
3. Dan completed **another birthday** on November 11.
4. **Extra giving at the closing of the year.** We are very grateful to those churches that pleasantly surprised us by deciding to send us, for varying reasons, extra funds near the end of the year. These funds allowed us to get Christmas gifts as well as take care of anticipated and unanticipated expenses.
5. We are grateful to the Lord for providing **full-time work** for Anna and Abby for a few weeks after the completion of their academic semester, which will help them apply their paychecks to college expenses. Abby is now a sophomore, since she took dual-credit courses near the end of high school.
6. The Lord continues to give **grace to Opal**, as she serves others “behinds the scenes” in many ways.

Prayer requests

1. In our last letter, we mentioned **additional opportunities to teach online for ministries in Spanish-speaking countries**. Since writing our last letter, Dan has received two more invitations to teach virtual courses. Starting in January, Dan will be teaching hybrid/virtual courses for four training facilities. Even though we anticipate Dan’s being able to travel throughout Latin America, the Lord is providing opportunities for him to train current and future church leaders throughout the Spanish-speaking world even when he is not traveling. Please pray that the Lord would give Dan grace for these opportunities. Since different training ministries have their own learning management systems, Dan will need to use effectively Moodle, Pathwright, Canvas, Zoom, YouTube, and WhatsApp as he provides these courses. Additionally, one of the courses Dan will be teaching will be a course he has never taught before.
2. **Upcoming TEAM Mobile Seminary trips.** Dan’s next international trip is planned for January. Please pray for the doors to remain open for this and other trips. Our next letter will report on this trip.

Since this will be our last letter of 2020, we take this time to wish everyone a very **Merry Christmas**, and very **Happy New Year!** May God continue to bless you as you faithfully serve Him.

Thank you for your prayers!
