Dear Co-Worker Friends,

How very deeply and sincerely I gratefully acknowledge you dear friends for your faithful support!

I miss my dear Margine who was so faithful to her Lord and to His cause with me for sixty-three years.

I am happy living with my son Dick and daughter-in-law Joyce. I am involved with them in their church-planting effort, Westpointe Baptist Church, where we live here in Goodyear, Arizona.

By God's grace, I recently celebrated my 90th birthday via a Zoom conference, complete with cake and candles. My, how times have changed!

Your prayers and loving gifts continue to mean more to me than I could ever express, but I am confident that our ever gracious and loving Lord will one day, quite soon, abundantly reward you. And isn't it wonderful that the promised glorious day of His coming is CERTAIN and SOON?! —and that TOGETHER, we will see Him and REJOICE WITH HIM...FOREVER!

Yours very gratefully – under the save Feathers,
Dick Mercado
