Dear Friends,

"Praise God from Whom all blessings flow!" My heart is overflowing with the amazing blessings the Lord has bestowed upon me these last two months. First of all, my 2002 Toyota Camry served me well for 10 years, but it was aging, and I wasn't sure how much longer I would be able to keep it running. I was also concerned about rising prices, so I started to seriously pray and ask the Lord what He would have me to do. I was perfectly content with my car, but I wanted to make a wise decision. About two days later my car broke down, and I had to have it towed to the mechanic! So, I made an appointment to look at cars and see what was available. All year long the Lord had been sending me extra gifts, so I was saving them knowing the Lord probably had a specific reason to do that. Just before I left for my appointment at a dealership, I received an email from my sending church, Faith Baptist in Taylors, SC, telling me that the church had voted to send me a very generous gift...which helped me to purchase the car you see to the right—a 2015 Toyota Camry!

Another amazing opportunity the Lord gave me this month was getting to go to Costa Rica for a week with my friend, Irene Charlez, to visit Lizzy (Cochran) and Ivan Villalobos and Ben and Carla Cochran and their two children, Jack and Amaya, who were visiting from Puerto Rico! Lizzy is the daughter of Ron and Jackie Cochran, MGMI missionaries in Hermosillo, Sonora, Mexico, who arrived in Hermosillo the year after I did 1985, and it's been a privilege to see their children grow up into wonderful servants of the Lord. Ivan and

Lizzy will be leaving for the States shortly to have some meetings in churches before heading to Hermosillo to begin a counseling ministry there. They will also be teaching some counseling classes at the Bible college and seminary. They will be a tremendous asset to the work, and we know the Lord will use them greatly in their service for the Lord.

We were able to spend one day at a national park/ocean. Elizabeth Rendon went along with us who graduated from International Baptist College in Gilbert, AZ (Dr. Shumate teaches seminary classes there). Her father, Rodolfo, was a student at IPES my first year working there in Mexico! She is ministering in Costa Rica these days.

Another praise is that Martha Aviles, the admin for the Evangelical Baptist Church (the bilingual church where our office is located) has finished her chemo treatments. We pray that she will continue to stay free of cancer. For the present, though, I will continue to assist the church with their accounting needs. Please pray for wisdom and for continued healing for Martha.

After much searching and prayer, the Lord has led me to join First Baptist Bible Church which is located just a half a mile from my home. Please pray that the Lord will use me there in His service to be a blessing and encouragement to others.

The Lord has also given me an unusual witnessing opportunity to an acquaintance who says she doesn't believe in God, nor does she believe that anyone is a sinner (Romans 3:23, "For all have sinned and come short of the glory of God!"). Amazingly, she continues to be willing to meet with me every couple of months, so please pray that I will have wisdom in sharing the Gospel with her.

Praise Him who is able to do exceeding, abundantly, above all that we can ask or think! (Ephesians 3:20)

In Christ,
Gail Ereddia

Some pictures from Costa Rica

The church is pastored by Ivan's brother-in-law. Lizzy played the piano, and Ben was the guest preacher.

**We got to see the beautiful Botanical Gardens, an active volcano, and Starbucks' only coffee farm!
(No, I did not drink coffee!)**

I'm always happy to spend a day at the ocean!

Elizabeth Rendon was able to join us.

Aunt Gail is delighted to have a new generation of MKs to love!
