Christmas, 2021

Dear Friends,

Behold, a virgin shall be with child, and shall bring forth a son, and they shall call his name Emmanuel, which being interpreted is, God with us. Matthew 1:23

Christmas is such a wonderful time of the year for Christians, as we celebrate the coming of our Lord and Savior Jesus Christ who came to Earth to die on a cross to pay the penalty for our sins if we only put our faith and trust in Him and receive Him as our Savior. There are always special events at church, and it's been such a joy to get to participate. I've especially enjoyed singing traditional Christmas carols, since we only get to sing them in December. I know our missionaries would appreciate your prayers as they also have a busy ministry schedule this time of year. Our greatest prayer is that many will come to know Jesus Christ as their Savior!

Please continue to pray for Martha Aviles. She had to have a brain tumor removed last week and is recovering at home. And pray for MGMI General Director Dr. David Shumate that no further cancer treatments will be necessary and for MGMI missionary Bacilio Alfaro who continues to deal with a kidney functioning only 19%. Thankfully, it hasn't gotten worse, but we pray for improvement. I'm so thankful to see some improvement in my health, mostly because it gives me greater energy to serve the Lord!

As you may recall, this is the beginning of my busiest couple of months—dealing with all the end-of-the-year tasks, helping the church with their needs, the upcoming MGMI board meeting in January, and our annual Staff Conference the first week in March, 2022, here in Phoenix (my favorite event!). I try and think about the conference throughout the year, purchasing small items for gift bags, planning the menus, and making sure everything is ready for the event.

Thank you so much for your faithful prayers and continued support. I pray the Lord will continue to bless and use each one of you for His glory! May you have a Blessed Christmastime and a Happy New Year!

In Christ,
Gail Ereddia
