## News from Gail Ereddia

March, 2021

Dear Friends,

My super busy months are just about over, and I'm so grateful to the Lord for His help and strength. Tax season, the annual board meeting, and our annual staff conference have been completed. As you know, I love our staff conference. This was a very busy one for me. I'm especially thankful for help from Kent Schoonover (chief cook), Monica Gallardo, Linda Shumate, and Becky Godinez who helped with preparing the lunches, and for Irene Charlez who provided the lovely flower decorations again. We have such a wonderful team of servant-leaders, and they were always willing to pitch in and help with anything that needed to be done. It was a blessing to see everyone again. The "missionary motel" (my apartment!) was busy hosting Ron and Jackie Cochran that week, and their son and daughter-in-law, Ben and Carla, and kids came through Phoenix last week, as well, and stayed with "Aunt Gail" before heading to Mexico. They'll be back through in a few weeks.

It was good to see MGMI missionaries Bacilio and Eunice Alfaro at our annual Staff Conference this month, but his kidney function is at 17% now. Please pray for wisdom from the Lord for further treatments and for healing. Please continue to pray for Martha Aviles and her family. Her treatments have been discontinued. She has a wonderfully positive spirit, but only a miracle from the Lord will bring healing at this point.

In February a guy in a big hurry hit my car while I was turning into the post office parking lot. It took them three weeks to fix it...and the check engine light is still on even after replacing the fuel pump twice. So, please pray it would be resolved soon. Thankfully, I got my deductible back because it was his fault, but I still had to pay for 20% of the car rental. I'm praying they'll take care of the unresolved problem without it costing anything (or very much!).

Please continue to pray for a friend to whom I have been witnessing. She seems to be softening a little to the Gospel and hopefully will trust Christ as her Savior soon.

Thank you so much for your faithful prayers and continued support! They are needed and appreciated so very much! May the Lord bless you!

In Christ,
