

News from Ivan and Lizzy Villalobos

Dear Friends,

The month of April was an eventful one due to different church and Bible college activities. During Easter, our church held a family camp. It was a time to enjoy fellowship, good food and meditation in the Word. The week after that, our church here in Hermosillo, where my father-in-law is the pastor, celebrated its 40th anniversary. The service was held during their Bible Conference week, which lasted from April 19th through 22nd. We praise God for a few people who received Christ as their Savior during that week.

We continue to minister to our young adults' group. During the two meetings we held, we continued to study the book of James. Also, we were able to visit a church plant about 1.5 hours away from Hermosillo, and we had the opportunity to help with the music and encourage the believers there, as well as spend a nice time of fellowship with each other.

Here in Mexico, April 30th is Children's Day. We had the privilege of celebrating with the Bible club we are leading in the "Piedra Bola" (Round Rock) neighborhood. We are very thankful for a good attendance, a total of 16 children and two adults showed up. Please keep praying for the salvation of the children and their families.

God continues to provide counseling opportunities, both in person and online. We are thankful for the privilege to see the all-sufficient Word of God change lives and provide hope.

Finally, we praise God for another birthday celebrated for Lizzy. We are thankful for God's faithfulness in her life, and we appreciate your messages and kind words for her during her birthday.

Thank you for your prayers for the following:

- The end of the semester at the Bible college. We have upcoming events such as a banquet for the students, commencement and other year-end activities.
- Salvation for the children and parents at the Piedra Bola neighborhood
