

THE AGUILAR FAMILY

Reaching the Hispanic population of South Carolina

March 13, 2025

Dear Friends,

One of our favorite Bible verses is “My times are in thy hands,” Psalms 31:15. This verse has comforted us through many uncertain times during Jacinto’s health challenges. In February Jacinto began to feel short of breath with chest pressure. After a few days when his symptoms did not improve, we ended up in Emergency thinking he might be having another heart attack. After running tests, the doctors ruled out a heart attack and sent Jacinto home. Praise the Lord!

One of the parents at Grace Christian School asked if someone could visit her friend sick with cancer in the hospital and “talk to him about God in Spanish.” Jacinto was able to visit her friend that same day and had the joy of leading him and his cousin to Christ. Please pray for him as the doctors have given him one month to live.

Last Saturday on visitation one of our deacons had the privilege of leading a man to Christ. What a joy to see him attending Sunday morning services the next day. Another deacon led Daniel to Christ during VBS a couple years ago. Daniel now goes on visitation faithfully with his mother, and last Sunday Jacinto had the joy of baptizing him.

Trinidad and Josefina have been attending church for several months. Last Monday Jacinto had the joy of leading Trinidad to Christ in his home. Please pray that Trinidad and Josefina grow in the Lord and make some needed decisions.

Please pray for Luis, one of our newer church members, who is battling cancer. Also, pray for Rafael who also has cancer. Originally from Peru, Rafael and his wife have been faithful church members for many years. Chemotherapy treatments have been very hard on Rafael’s 80-year-old body.

Lord willing, Rebecca will be speaking on March 20-21 at a Hispanic ladies’ conference in Middleburg, Florida. Please pray that God would use her to be a blessing to the ladies attending. Our own ladies conference will be on April 11-12. We have invited one of our former students from the Ebenezer Bible Institute, Karla Ulloa, to be our main speaker. Please pray that God

Please continue praying for Jacinto's health. Though the doctors did not find any reason for his discomfort, Jacinto still does not feel well. Rebecca is also having a few health issues. We aren't "spring chickens" anymore, but our desire is to keep on serving the Lord. Thank you from our grateful hearts for all your faithful prayers and support.

Happy in the service of the King,
