Dear Friends,

As always, the highlight of our summer was our annual Vacation Bible School. Though we still do not have the high attendance we enjoyed before Covid, we had a good group of children attend, including 25 visitors.

Joey played guitar and taught the 10-12 years old class along with his bride Marcella.

Judy led the singing with a little help from four-month-old Everly.

Rebecca taught her favorite missionary story *No Darkness at All*, and our people served happily as teachers and leaders. Six children made professions of faith during the week.

Julie greatly enjoyed her summer internship with Bibles International in the mountains of San Luis, Potosi,

Mexico. She had the opportunity to translate for other teachers during the linguistic training, as well as lead two Vacation Bible Schools working with

the Tenek Indian tribe. In September the missionaries she worked with, Fernando y Christy Angeles, came by on furlough and preached in our prayer meeting. It was a joy to meet them and hear Fernando's salvation testimony. They have invited us to visit them next summer, and we would love to if God so leads!

School is back in session. Rebecca loves teaching three levels of Spanish at Grace Christian School and tries to infuse a vision for world missions along with verb conjugations in the classroom! Julie is in her last year in her linguistics master's program, and our baby, Jimmy, is a college senior double majoring in business and Christian ministries! We don't know how our J's got to be so old! Please pray that the Lord would guide Julie and Jimmy in their future plans after graduation next May.

A visitor at Grace Baptist Church shared with Pastor Goforth that he had visited because of a tract he was given while at Walmart. One of our people handed this person a tract in Spanish. When the man told him he did not speak Spanish, he was handed another tract in English! Praise the Lord for faithful soul winners!

We thank God for speaking opportunities He has opened up to us recently. In September Jacinto was invited to speak at NCHO (National Conference on Hispanic Outreach) in Greenville. He spoke about waiting on God's timing to convert Hispanic ministries into independent churches. Jacinto also preached at Iglesia Bautista Victoria, a sister church located in Charleston, South Carolina. Jacinto is teaching Spiritual Life as an online class to a group of students in Mexico as well as leading our Pan American Bible Seminary video classes.

Rebecca was asked to teach the women's Bible study in English at Grace Baptist Church this fall. She is enjoying teaching a series on "Famous Last Words" in the Bible. In her Hispanic women's Sunday school class, she is teaching through the book of Philippians. Rebecca has a burden to start a podcast to encourage young mothers. Pray for God's leading in this endeavor.

Please pray for us as we have experienced some spiritual battles and physical problems in recent days. Our heart's desire is for our family to be used by God for His glory. Thank you for your faithful prayers and support of our ministry.

Happy in the service of the King,
