Multiplying Leaders for the Great Hispanic Harvest

News from Janine Fox

May, 2022

Dear Prayer Supporters,

This has been a busy semester. I had the goal this year to write a prayer letter this month and miserably failed. My class hours have increased because grades 5 and 6 were previously combined for English class, but now they are separate. Thankfully, I am not at the point of being too busy or overwhelmed to rest sufficiently or do things well. I have been there in the past, and I am trying to avoid that happening again!

Music classes ended earlier this month with a recital on May 9. It was good to see how much my three voice students and three piano students have advanced. Now that music classes are over, I have a little more free time. I still have English classes with the preschool, 5th grade, 6th grade, and the junior high until the first week of July. Please pray for endurance and strength for the students and the teachers because the weather is hotter now, and the heat will only increase in June.

We have now started practicing for the graduation ceremonies for Kindergarten, preschool, and junior high. Three students are graduating from Kindergarten, four from Sixth Grade, and four from Junior High. In Kindergarten and Sixth Grade, they will sing special music in both Spanish and English. My job is to play the piano and teach them the English version of the hymn. In Junior High, all ten students will sing various musical numbers, and it is my job to rehearse them. I enjoy challenging them to sing the best they can, and there is a lot of work to be done in a short amount of time. Please pray for all the details to come together and for God to be honored in all graduation ceremonies.

The mission church in Tres Reinas has been going steadily. There are 20-30 children at an average service and 5-10 adults. I enjoy using my car to take people, especially kids, to church and back to their homes. Please pray for the spiritual growth of these teens who are young believers: Abril, Sol, Chuy, and Ximena, and for Chuy and Ximena to be faithful in attending the church services. Thank you for your prayers, and for your patience in waiting for a letter!
