Multiplying Leaders for the Great Hispanic Harvest

News from Roberto and Josefina Diaz

Dalton, Georgia; January, 2022

Dear Pastor and Church:

With the start of 2022, we want to wish you, your family, and your congregation a blessed year, and may the grace of God use you in a very special way for the glory of our blessed Savior Jesus Christ.

We have continued to share the blessed gospel of salvation with people regularly, for there is always someone who will need to hear that there is a Savior who offers eternal life and offers him the opportunity to be saved from the condemnation of hell and give him life in abundance. At the beginning of December, the Buitrago family visited us. They are missionaries from Colombia to the Hispanic people in the state of Florida, in the United States. He presented his missionary project to us and preached the Word of God on "Where is your heart?"

We are thankful to the Lord for the blessing of having a group of brothers who finished their discipleship studies *Growing in the Christian life*. It has also been a very special joy to see our Tabernacle orchestra mature. We are thankful for the brothers who are part of it, because they have been diligent in their ministry; and, without a doubt, God has blessed this beautiful part of their music ministry in the church. Please be praying for this orchestra, as we desire to bring glory to God.

In mid-December we celebrated the birthdays of the month, which included my beloved wife Josefina! I thank God for allowing her to complete another year of life and am thankful also for the displays of affection towards her on the occasion of her birthday.

How thankful we are to the Lord for the end-of-the-year activities that He allowed us to have at Iglesia Bautista Tabernaculo. Our Christmas service, remembering the birth of our Savior Jesus Christ, was, without a doubt, an extraordinary time, listening to the blessed Word of God. We had visitors who listened attentively as well and who received the precious seed, from which we hope to see fruit in its time.

After the service we had a beautiful fellowship time in our dining room which we were able to finish last year, thanks to the Lord and the cooperation of the whole church. We enjoyed a delicious and hearty dinner that the ladies and men of our church prepared.

Also on December 31st, we met at 11:00 p.m. to bring in the New Year, praying for His blessing and His presence in our lives for this year of 2022 that we begin.

We were able to have our first Lord's Supper of the year on January 1st. It was really something very special and solemn, for which we thank the Lord, Who allows us to approach His table to remember His death and sacrifice for us.

Our theme this year is *reaching forth unto those things which are before*, Philippians 3:13. We know that we can achieve that if we first prioritize the Word of God and spend time in it. It is for that reason I have placed an emphasis on reading, memorization, and meditation on the Word. We want our congregation here at Tabernacle Baptist Church that we must prioritize the Word of God in order to grow in the Christian life. For that reason, every year I give them a biblical reading plan which we continue to emphasize during the year.

Thank you for the love you show us by praying for us and supporting us as your missionaries so faithfully. May the God of all grace supply your needs.

We pray for you all...
