Multiplying Leaders for the Great Hispanic Harvest

News from Roberto and Josefina Diaz

Dalton, Georgia; April 2023

God Bless You, Dear Pastor and Church:

It is a pleasure to greet you, hoping that you, your family, and your church are doing very well.

We want to inform you that we have continued to share the gospel of salvation, speaking personally and passing out tracts as well. We also want to continue to thank you for the support that you give us month after month, which is a blessing to us and the church.

In the month of March, we had baptisms, and we have seen growth in the brothers who took that step of obedience. Please pray for Bro. Diego and Bro. Bani.

The same day that we celebrated the birthday of the children of a family from our church, we had a very sweet time of fellowship after the baptisms, and we rejoiced and thanked God for having granted them another year of life.

In the month of February, we took a group of couples from our church to Jonesboro, GA, for a couples' meeting with Pastor Barrios, and God blessed each couple in a very special way. We thank the Lord for that.

Also in the month of February, as a church, we had our own marriage meeting. God gave us His Word, and we had games and a delicious meal.

We want to thank God, in a very special way, because at the end of February, a completely new family of five members came to our church, and the parents and the two oldest children (10 and 9 years old) gave their lives to Christ and have been with us ever since. Please pray for the Herrera family.

In the middle of March, we attended the annual Staff Conference of our MGM International team, which is our missionary agency. We saw the protection, provision, and care of God as we drove to Arizona (around 4000 miles). It was a very tiring trip, but it was worth it because we were able to see all the other missionary families who are also part of the team. We had times of fellowship, and we were also trained in certain aspects. We made new friends, and we enjoyed each session that we had with different teachers.

We pray for you all.

Prayer Requests:

- For our documentation procedures before the United States government
- Provision of a personal vehicle
- For the spiritual growth of each brother at Iglesia Bautista Tabernaculo
