Multiplying Leaders for the Great Hispanic Harvest

## News from Roberto and Josefina Diaz

Dalton, Georgia, July 2024

Dear Pastor and Church:

Please accept our warmest greetings from Tabernacle Baptist Church. We are infinitely grateful for your spiritual and monthly financial support, and we ask the Lord that there might be many with a heart for missionary work and who are abundant in giving and supporting missionary works on foreign and local fields.

It is a privilege for me to serve the Lord together with my beloved family. It is amazing how quickly time is passing, since it has been five years since we left our beloved sending church. Since the last letter we sent, we have seen the hand of the Lord move even more in the church and in the lives of our brothers and sisters in Christ in their spiritual growth.

It is a pleasure to inform you of the following:

1. We celebrated Father's Day. God worked greatly in our hearts, and the gathering was wonderful.
2. We also had a special service called *Friend Day*, where each one at church invited their friends. By the grace of the Lord, we had several guests that day, and three people received Jesus Christ as their personal Savior! We also had a baptism at the end of the service, and we shared delicious food with the whole church and guests. Also, that same day, the church surprised me with a birthday celebration!
3. It is wonderful to see how the Lord adds to the church. Recently we had the blessing of seeing families join the church—one of them of Nicaraguan origin, another family of Cuban origin, and a Mexican man. We are praying for another family of Dominican origin, and we ask for your prayers that they may be strengthened and grow in the ways of the Lord.
4. We continue working to spread the gospel in the Hispanic community in our area and beyond. In our efforts to win people for our Savior we have seen the Lord send His blessings through means that only He has.
5. The Lord allowed me to write an evangelistic tract entitled *Did you Know that You will Weigh 21 Grams Less after You Die?* This pamphlet will be printed soon, and I want to thank two sister teachers who helped with the grammatical revision. I hope in the coming days to receive some first impressions and to be able to use it in evangelism outreach, for which I ask for your prayers.
6. My wife, Sis. Josefina, is giving music classes to the brothers and sisters who desire to serve the Lord in musical ministry.
7. My daughters are also an encouragement and blessing as they participate in our music ministry, and one of them is a Sunday School teacher for the infants. Both are very helpful.

What a great blessing of the Lord it is to have a wonderful family and church that work together with me in the ministry!

Prayer requests for:

- The spiritual growth of the church and new believers
- Our legal situation in the United States
- Spiritual strength and wisdom in ministry
- Genuine conversions in people exposed to the gospel
- More churches to support us as their missionaries
- Physical health for the family
- For the salvation of Noe Guerrero
