Multiplying Leaders for the Great Hispanic Harvest

News from Roberto and Josefina Diaz

Dalton, Georgia; May, 2021.

Dear Pastor and Church Family:

Warm greetings from our family and Tabernacle Baptist Church, hoping you are well and enjoying the blessings of our blessed Lord and Savior Jesus Christ.

We are so grateful to you, your family and the church for being such a blessing month after month through the offerings that you send to meet part of our needs.

We thank the Lord that little by little we have been able to resume house-to-house personal evangelism, although we were still able to continue doing so at the Flea Market, in stores, workshops, at gas stations, etc., in order to reach as many as we can with the Gospel of Salvation, for which we continue to ask for your prayers, that the Holy Spirit will use us to carry out the good news of Salvation.

We are also very happy and grateful to the Lord because He has allowed us as a church to be able to support missionaries who are already on their field on a monthly basis. This year we added the Angulo family, missionaries to Brazil, for whom we ask for your prayers as the country is under a black flag regarding the pandemic, which has been extremely difficult for them and for the church congregation.

Of course we cannot ignore praising the Name of our God for granting us a great advance in the construction of our dining room, as it is one of the goals our church has had for just over a year and a half and this month. Each brother was willing to contribute so faithfully for this purpose, and we managed to obtain what was necessary in order to see good progress on our dining room and multipurpose room.

I also want to mention that as a church we thank God for the entire team of brothers at Concord Baptist Church and for Pastor Randy Sutherland who gave their hearts, time, and resources to be able to be a blessing in the tremendous work that has been done on the buildings. We also had a very special time eating together.

Prayer Requests:

- Ministry by the power of the Holy Spirit
- For the completion of our dining room and fellowship room (Stage 2)
- For the renewal of our corresponding permits before the United States Government
- For my wife's health
