Multiplying Leaders for the Great Hispanic Harvest

Dalton, Georgia; May 2022

## News from Roberto and Josefina Diaz

Dear Pastor and Church:

With great joy I write this report of some things that the Lord Jesus Christ, by His grace, has been doing at Tabernacle Baptist Church, in which you and your congregation are participants, because you have seen fit to share for the furtherance of His work. here in the state of Georgia, USA.

First of all, I want to mention that we have been sharing the gospel with the lost people in any opportunity we have, apart from the programs that we already have established, and we have seen the hand of God in a very special way in these last three months. We recognize that it has been the grace of God and the answer to many prayers that the men of the church, together, as one man, are crying out every Saturday at 6:00 a.m., begging God's favor for His church. Praise God for it!

It has been very wonderful to have our meetings with the youth and adolescents of our church, where they have their fellowship time, then enjoy a time of meditation on the Word of God, followed by a snack time.

I also want to tell you that the studies in the homes are progressing in a very effective way, and we have seen the maturity and growth that the brothers have been having. In fact, the group has also grown in number; and, because of that, we are now having the studies in our church dining room on Fridays. The beginning of April, my wife had her meeting with the ladies of the church—a group of seven ladies—where the theme was “The Virtuous Woman.” My wife spoke to them, and I know that it was a great blessing for each lady to have that time in the Word of God and fellowship, where they themselves prepared a banquet to enjoy and share.

We are thankful for the trip the youth and adolescents were able to take to the Tennessee Aquarium on April 9. It was something extraordinary, where we could see the majesty of God in His creation, in addition to having a precious time of fellowship.

Also, in the month of April we had the blessing of having the Garza family, missionaries in the state of Durango, Mexico, who presented us with their missionary project, and then, Bro. Garza preached the Word of God to us.

We that the Lord that our Resurrection service was a great joy, remembering the resurrection of our blessed Savior Jesus Christ, singing hymns to His Name, listening to His Word and, after the service, having a precious time of fellowship and feasting in our dining room.

Lastly, we are so happy for the thanksgiving service for all the mothers in our church. I a very special way, we thank the Lord that one soul accepted Christ as their Savior that day! She is a lady who has been visiting us for a few months now, but has finally made her decision. Praise the Lord for it!

We pray for you all...
