Multiplying Leaders for the Great Hispanic Harvest

News from Roberto and Josefina Diaz

Dalton, Georgia; January, 2021

Dear Pastor and Church Family:

Cordial greetings to each of you, hoping that you, your family, and your congregation are well. We also wish you a blessed New Year, 2021, full of the Grace of God.

We also thank God for His mercy towards His servant, our family and congregation, and for brothers and churches who so faithfully keep us in their prayers, along with supporting us faithfully throughout this year.

It certainly has not been an easy year, but the mighty Hand of our God has not been shortened to save, so follow us and we will continue to share His blessed Gospel of Salvation with the lost whenever He gives us the opportunity to do so.

In the last three months of the year we have been able to have some activities—obviously not all that we had planned or would have wanted to have, though. Due to obvious reasons some have had to be postponed or suspended.

We thank the Lord that our new audio system was installed on October. We are so thankful for Concord Baptist Church and for the loving help that they are always willing to give to us as a young church. Many thanks!

In October Brother Eduardo Pérez, missionary to Thailand, visited our church and imparted to us the blessed Word of God and preached, "...Lest ye be wearied and faint in your minds." (Heb. 12:3) It was very encouraging to see the testimony and calling of this young missionary. All Glory to God!

In November we celebrated our church's second anniversary! it was a tremendous blessing to remember what our blessed Lord and Savior Jesus Christ has done here in Dalton, Georgia.

We thank the Lord for our Christian brothers who always serve Him with such willing hearts. They worked together to make all this possible, working to beautify the facilities, rehearsing the choir and the orchestra, preparing the food, bringing guests, etc. Glory be to our God!

We had the special blessing that day of having Evangelist Bacilio Alfaro preaching the Word of God and his precious wife, Eunice Alfaro, teaching the ladies of our church. God used them in a way that only He knows how to do. God bless the Alfarnos.

We had our Christmas service at the end of December, and it was so beautiful to remember and celebrate the birth of our Savior Jesus Christ. It was very special to have the Lord's Supper in this service as well. Afterwards we had a beautiful time of fellowship.

Also in December our beloved brother Wayne Henderson went home to be with the Lord. Without a doubt we miss him a lot, but we know that where he is there is no more crying or pain and that one day we will meet in Heaven to never part again. We ask for your prayers for Mrs. Tootsie Henderson and her entire family.

Among the goals and purposes that we have for 2021 is to encourage our church family to read their Bibles daily, which is very important for their spiritual growth. I have prepared a Bible reading plan for them to use, which I pray the Lord will use to bless and make our beloved brothers and sisters grow in faith and obedience.

Again, we thank you for all that you do for your servants! We pray for you. God bless you.

Prayer Requests:

- For the power of the Holy Spirit
- For the completion of our dining room and fellowship room
- For the special projects for this year
- For our health
- For the renewal of our required permits for the United States government
