Multiplying Leaders for the Great Hispanic Harvest

News from Roberto and Josefina Diaz

Dalton, Georgia, July 2024

Dear Pastor and Church: Please accept my warmest greetings from Tabernacle Baptist Church.

I am infinitely grateful for your spiritual and financial support that you give us month after month, for which we pray to the Lord that the heart for missionary work may always be more abundant in giving and supporting missionary work in the foreign and local field.

It is a privilege for me to serve the Lord together with my beloved family. It is amazing how quickly time is passing, since it has been five years since we left our beloved sending church. I also wish to inform you that since the last letter we sent, we have seen the hand of the Lord move even more in the midst of the Church and in the lives of the brothers in their spiritual growth.

It is my pleasure to inform you of the following:

1. We celebrated Father's Day. God worked greatly in our hearts and the gathering was wonderful.
2. We also had a special service called "Friend's Day," where each one at church invite their friends and by the grace of the Lord we had several guests that day, in which three people received Jesus Christ as their personal Savior and we also had a baptism at the end of the service, we also had delicious food that we shared with the whole church and guests. That same day was the celebration of my birthday, being surprised by the church.
3. It is wonderful to see how the Lord adds to the Church. Recently we have had the blessing of seeing families join the church, one of them of Nicaraguan origin, another family of Cuban origin, also, a Mexican men, and we are praying for another one of Dominican origin; for which we ask for your prayers so that they may be strengthened and grow in the ways of the Lord.
4. We continue working in the spread of the gospel in the Hispanic community of our area and even beyond, since in the effort to win people for our Savior we have seen the Lord send his blessing through means that only He has.
5. The Lord allowed me to write an evangelistic Track entitled "Did you know that you will weigh 21 grams less after you die?"; said pamphlet is being prepared for its prompt printing, I take this opportunity to thank two sister teachers who helped me with the grammatical revision. I hope in the next days to receive the first impressions and use it in the evangelistic times, for which I ask for your prayers.
6. My wife, Sister Josefina, is giving music classes to the brothers and sisters who are with the desire to serve the Lord in the musical ministry; also is Sunday school teacher and our pianist.
7. My daughters are also an encouragement and blessing since they collaborate in the music ministry, one of them is a Sunday School teacher for the infants, both are very helpful.

What a great blessing the Lord has given me by giving me a family and church, that collaborate with me in the ministry!

Prayer requests for:

- The spiritual growth of the church and new believers.
- Our legal situation in the United States.
- Spiritual strength and wisdom in ministry.
- Genuine conversions in people exposed to the gospel.
- More churches take us as their missionaries.
- Physical health for the family.
- For the salvation of Noe Guerrero.
