

Hola from **THE HORNORS**  
Serving since 1996

June 2024

## Dear Friends, Family & Supporters,

Once again, we want to thank each church, friends and family who are standing with us in the expanding local outreach and across the world to India, Pakistan, Nepal and Myanmar.

**Report from Mexico:** (Denise celebrated the big “70” on May 26; June 10 we started our 47th year together)

- It is a joy to work alongside of son *Brian* and wife *Diana* at [Iglesia Bautista Betel](#) in Alhuey. We help in preaching, music, baking bread to raise \$ for construction, soul winning, discipleship, ministry with older saints, general errands, etc. We are almost 100% full many Sundays (80-90+), with eight other communities represented apart from Alhuey! Lord willing, we will begin construction in Fall-Winter 2024-25 to double the size of the sanctuary and to add new bathrooms; cost estimate is \$60,000 (US) of which \$32,000 is on hand.
- [Vacation Bible School](#) is planned for July 10-14; the youth will go to camp a week later.
- Denise and I will be at [Campamento Meta](#) from July 13-31, helping where we can!

## Report from South Asia:

- Tap usually preaches/teaches **9+ times a week** to South Asia via Zoom and Whatsapp.
- The opportunities are increasing: India, Pakistan, Nepal & Myanmar (Burma); pray for wisdom.
- The daily friendship/mentorship is a wonderful privilege, responsibility and blessing.
- Church planting and new preaching opportunities continue every week via faithful men.
- The informal Bible institute, five meetings with pastors every week, and sharing the Gospel with souls listening for the first time is very exciting!
- We support six elementary schools, giving basic Christian education to 400+ children from Hindu & Muslim backgrounds. We also schedule special evangelistic meetings to many needy areas.
- The opportunities are many, the network of supporters is a great encouragement but...pray & help.
