

Hola from **THE HONORS**
Sinaloa, Mexico:
Summer 2023

Video Summary

Dear Friends, Family & Supporters,

We send greetings to all from **Mexico City!** Denise and I have had many new opportunities to serve our Lord: since June 16 we have been visiting churches in Matehuala, San Luis Potosí, Campeche, Mexico City (2 churches), Cuernavaca, and Valle de Bravo participating in conferences, church anniversaries, youth programs, a Bible college graduation, and sharing about ministries in **Mexico, India, Pakistan, and Nepal.** Tap spoke about 40 times, & Denise three times. It has been a great blessing to meet so many new brothers and sisters in Christ.

We arrived in Morelia on Jan. 20 and began helping at **La Iglesia Esperanza Viva**, pastored by Radamés Gil who grew up in Alhuey and served with us for many years in Sinaloa. Tap worked 4 days a week at **Campamento Meta**; Denise took care of the director’s home where we were staying in his absence. There were several camp programs from March to June where we helped “doing what [we] could” (Mark 14:8). Time & again our Lord has proven Himself faithful: by only a couple of seconds the Lord had us stop our car only to watch an oak tree fall just a few feet in front of us! We helped fight 3 forest fires on or close to the camp property...that was an experience!

We will return to **Campamento Meta** on July 17 and help there and at the church in Morelia until Friday, August 4. There will be about 200 campers for each week of camp (some wks. + or -).

The ministry to India, Pakistan & Nepal via Zoom and Whatsapp is growing with more requests to speak to believers gathered in homes in many cities and villages in the state of **Odisha, India:** weekly Friday morning Bible classes to 30-40 young adults; bimonthly pastors’ meetings; occasional special meetings in **Faisalabad, Pakistan**, to as many as 150 gathered to listen to the Word of God; & right now three families gather in **Nepalgunj, Nepal**, to listen to messages about marriage & family. The young adults from Bro. Chanti’s church are busy evangelizing new villages, and new preaching points have been established with new believers! Persecution has affected some of these new outreaches. The nephew of Ananta, **Roshan** (one of my main contacts in India), has just started his first year in Bible college! Many believers in Mexico have given money for Bibles for South Asia. Pray for the ministries in Sinaloa, Mexico, and South Asia.

Plans & Prayer Requests

- **Return to Alhuey and serving as pastor from August through October**
- **Campamento Meta:** three weeks of camp, many youth saved & called to serve the Lord

THANK YOU VERY MUCH for your interest, prayers, and support!
