Dear Friends, Family & Supporters,

We hope this email finds you well. We wanted to take a moment to update you on the recent ministry opportunities in **Sinaloa, Mexico and South Asia**. We thank you for your prayers and faithful support! (I invite you to explore the links at the bottom of the page.)

Son Brian and Tap attended a very interesting postgraduate class at **Institute Práctico Ebenezer and Seminary in Hermosillo, Sonora** for five days at the beginning of January. Then Tap attended a **Hispanic Leadership conference in Lancaster, CA**, also great blessing. Returning from CA, Tap was able to reconnect with Tri-City Baptist church in Chandler, AZ and speak four times about the ministry in Mexico and South Asia with different churches and with the students of **International Baptist College**.

Returning home to Alhuey, Tap was able to help at the church and preach three times while Brian and Diana participated in "Let's Get Acquainted Days" at IPES, along with 100+ young people visiting the school! Tap challenged the church (and himself) with the connection of being strengthened in the grace in Christ and then committing this grace to faithful men as explained in 2 Tim. 2:1-2. What is even more special is the great treasure we all have been entrusted with, the Gospel: 1 Thes. 2:4 "But as we were **allowed of God to be put in trust with the gospel...**" In December a new family that has been attending our church listened to the Gospel while Tap visited with them in their home. Dad, Mom and one daughter prayed to receive the Lord! Since then we have had two follow-up discipleship classes and look forward to encouraging them in their walk with the Lord.

The ministry to South Asia continues to provide weekly teaching opportunities to the informal Bible Institute in **Odisha, India**, to pastors' groups, and young men from **Faisalabad, Pakistan**. Tap also has preached to various evangelistic meetings from 20 persons to 150! May the Lord seal the decisions made with the Holy Spirit! More great plans for South Asia in the next several weeks...!

Many of Tap's friends from all over expressed their encouragement for his 69th birthday! That was very special. OH, by the way, Denise sends her greetings and she fine! **Yes, God is good and it is exciting to live for the Lord!**
