

# the BARLEYS SERVING IN MEXICO

"Teaching them to observe all that I commanded you"  
Matthew 28:20

Dear Praying Friends,

We praise the Lord that Amanda's dad was released from the hospital and allowed to come home. He is still going to dialysis for his kidneys and working hard to recover his strength.

I took a ten-day trip back to Hermosillo to check on our house and ministry. It was encouraging to see the work moving along even when we are not there. Here is one of the brothers from the church teaching a kids' class in the park.

Thanks so much to those who have prayed for our family this summer. We are planning to return to Hermosillo in the next few weeks.

Please pray for our family:

- Full recovery of Amanda's dad—Homer Chinn; specifically for strength and improved kidney function
- The brethren at Esperanza Viva—that they would bear fruit in every good work and increase in their knowledge of God (Colossians 1:10-11)
- Wisdom about the exact time to return
- Safety on the road when we travel back to HMO

Love in Christ,  
Wesley, Amanda,  
Kevan, Isaiah, Caleb, and Luke
