"Teaching them to observe all that I commanded you"
Matthew 28:20

Dear Praying Friends,

Back in November we enjoyed hosting some students and Amanda's father for our annual Thanksgiving Day. It was an encouraging time.

Most of the past 2 months, however, there have been many trials. Almost everyone in the family has been sick with sinusitis, bronchitis or strep.

The first and longest trial has been the injury to Enoc. We praise the Lord that he is back at home, making good progress and even doing some work for me again in the seminary!

Our church grieved together again when the Lord took home a little baby girl at 37 weeks. The Lord gave the couple much grace, and I had the opportunity to speak the gospel to unsaved family members at the funeral.

Last week we wrapped up a postgrad class on Genesis 1-11 taught by Dr. Bill Lovegrove. All the pastors and teachers had good things to say, and our boys especially enjoyed attending many sessions.

Please pray for:

- The start of a new semester
- Safety on a quick drive to Memphis at the end of the month
- Growth of the men in the church as they take on more preaching responsibilities this year
- Complete healing for Enoc
- Grace for the Yescas family as they grieve

Love in Christ,
Wesley, Amanda,
Kevan, Isaiah, Caleb, Luke, and Anna Grace
